

## Hamburg-Sud Customer Advisory – March 2013

### USA & Canada Import Manifest Correction Fee

Please be advised that due to ever increasing numbers of corrections and corrector notices being received Hamburg-Sud USA have advised us that with immediate effect they will be passing on a portion of the administrative costs involved in this.

A charge of **US\$125.00** will now apply to all corrections received after the following cut-offs:-

EUNA (US East Coast Service) – 3.00 p.m. on Friday **before** weekend departure ex Southampton

PACE (US West Coast & Houston) - 3.00 p.m. on Friday **following** Wednesday departure ex Antwerp

This charge can be manifested as either prepaid or collect.

Note that this charge will be in addition to our usual €35.00 manifest correction fee.

Please note that the above does not affect in any way the US AMS manifesting deadlines which remain unchanged. i.e. 48 hours before arrival of vessel to USA in load port (for EUNA service Southampton & for PACE service Cartagena)

Should you have any questions regarding same please do not hesitate to contact our export team

Thanks.
